Neck Cover with Straps

100% Polyester (*fleece*)

Lay the *Neck Cover with Straps* out flat.

Place the headgear neck strap on top of the cover.

Push the side straps through the fabric.

Wrap the *Neck Cover* around the headgear strap.

Secure with Velcro tabs.

The Velcro tabs should be on the outside and the soft fabric on the inside next to your skin.

Machine wash cold, tumble dry low. Remove promptly. Do not use bleach.
